### **Discussion:**

Why was Hannah sad?

-She couldn't have a baby

What did God do?

-He surprised her by giving her a baby.

What did she do?

-She thanked God and committed her son to God for his whole life.

Hannah loved her son so much and faithfully prayed to god to have a child. God provided for her. Her son was a miracle from God! What a special gift 😊

### **Activity:**

Younger-trace your hand and colour it to look like a flower, with a green stem. On the top, can you draw the letter I and then a heart and then the letter U? That looks like the message I LOVE YOU! On the back, draw something you love about your mom! Give it to your mom and tell her what you drew. Don't forget to say I LOVE YOU MOM!!!

Older-What are some things you love about your mom? Can you write or draw 3 things you love about her? Write or draw these things on a piece of paper, and give it to your mom. Can you remember to pray and thank God for your mom every day this week?
