Bible Story Activity:

Toddlers to Grade 2: Make a skinny cow and a fat cow out of playdough.

Grades 3 to 5: Discuss why cows and wheat show years of famine and feast so well.

Draw and colour another dream that could show seven years of plenty (feast) and seven years of scarcity (famine). If you want, you could show it to a family member and ask them to guess what your dream shows.

Life Application Activity: Talk about the bad things that happened to Joseph (being sold into slavery, being wrongfully imprisoned) and how he handled those bad times (doing his best, trusting in God). Discuss the final outcomes in relation to today's Bible verse. God will help us, in our bad times, too!

Prayer Time: Thank God for loving us and helping us in times of trouble.
